(Optional) Color Rejuvenation

Moldex DECK!™ Protector (Cedar, Mahogany & Coastal Gray)

Composite deck mildew proof sealer and color rejuvenator available in Cedar, Mahogany and Coastal Grey. (See information above)

OR:

Oil or Latex Solid Deck Stain:

Once CorrectDeck has weathered for at least one season, a good quality solid color oil or latex deck stain can be applied. Always apply stain in accordance with manufacturer's instructions. Subsequent applications will likely be required to maintain appearance.

(Note: Do not use Solid Deck Stain together with application of Moldex Deck Protector.)

Note: GAF Decking Systems, LLC does not warrant or endorse any of the products shown above except to the extent that their use will not damage CorrectDeck. No warranty of actual performance is implied or suggested. This information is provided only as a service to our customers.
